Soviet International Fronts

A Research Paper
Information available as of February 1983
and in this report.

This chart indicates the linkages between Soviet international front organizations. The 10 major fronts, their regional organizations, and a number of their national affiliates are shown. The national affiliates are those with representation on executive bodies of the fronts, even if they are not shown below. The fronts of fronts are listed in specific reference to issues. Charts, Moscow coordinates front progress and measures the fronts to prevent Soviet entry issues.
